4-H Pledge

I pledge my...

...To Make the Best Better.

I pledge…

My head to clearer thinking,
My heart to greater loyalty,
My hands to larger service,
My health to better living…

For my club,
my community,
my country
and my world.

To Make the Best Better!

Hey Parents!

Welcome to Mini 4-H! The Mini 4-H program is designed for children in 2nd grade to introduce them to the regular 4-H program that provides learning experiences that are fun, practical and non-judgmental for your child. 4-H is an educational program for young people from both urban and rural areas. It is sponsored by the Tippecanoe County Extension Service in cooperation with Purdue University and the U.S. Department of Agriculture. The regular 4-H program is for children currently in grades 3-12.

There is no cost to join Mini 4-H and the project manual is free of charge. To become a member, the attached form should be completed and returned to the County Extension Office no later than February 1st.

Your child is encouraged to make a simple, inexpensive exhibit for the 4-H Fair in July. Exhibit suggestions are given in the project manual. We want to keep this program encouraging for all children, so their project will not be judged, but all who exhibit will receive a ribbon.

Your child may, in addition, attend local 4-H club meetings. Mailing will be sent out during the year with information about the project meetings, the county fair, and other activities.

We hope your child enjoys his/her 4-H experiences. If you have any questions, contact the Extension Office Monday through Friday 8 a.m. to 4:30 p.m., at 474-0793.

4-H Expo

Tuesday, January 21, 2014

Come anytime
between 6 - 8 p.m.

Tippecanoe County
Fairgrounds
Home Economics Building
